

Dear \_\_\_\_\_

Wow, thank you so much for your letter! Mrs Clause and I love reading letters from all the children around the world. I have been checking my lists and you are down on the "Nice" List as you have been very good this year! Children on the "Nice" List receive presents for being so well behaved. Our Reindeer have been practising their flying lately so they are all ready to pull my sleigh around on Christmas Eve. I'd better go and help the elves make lots of toys as its getting closer to Christmas and we are REALLY busy this year! Remember to be nice to others and tidy up and I will

bring your presents to your place,  
so you can wake up and open them  
on Christmas day!

Love from Santa Clause!
